

Gayville-Volin School District 63-1 Middle School and High School Student Handbook

WELCOME TO GAYVILLE-VOLIN SCHOOL

District Parents and Students,

Enclosed you will find policies that govern Middle School and High School Students in the Gayville-Volin School District.

Together the Gayville-Volin School Board, administration, and staff have developed these guidelines to make the educational environment safe for children of all ages. We are proud of our K-12 school philosophy and feel that much is gained from the interaction between all grade levels. As a result of this interaction, we need extra precaution and understanding when dealing with children.

The student handbook gives an overview of the expectations that are the responsibility of both the students and the parents, but it certainly doesn't encompass all situations that may arise. The staff, administration, and school board have the discretion to use their judgment when dealing with student actions. Not all proceedings are black and white and we ask the cooperation of the students and parents when these circumstances arise.

This handbook is subject to adoption by the Gayville-Volin School Board and the policies, rules, and procedures are subject to change without notification or reprint. The policies remain on file in the Superintendent's office and the district handbook and policies are published at <http://www.gayvillevolin.k12.sd.us>.

DISTRICT PHILOSOPHY

The Gayville-Volin School District encourages maximum development of learning potential, concern for moral and ethical behavior standards, sensitivity to social problems and their solutions, enthusiasm for health and wellness, and the appreciation of the aesthetic aspects of our lives.

To that end, we feel that education is not simply the accumulation of knowledge but more importantly the development of intellectual curiosity, which will stimulate the student towards lifelong growth and development. While the development of creative thinking skills is the basis of our education, it is vitally necessary to include the enhancement of skills in the use of media and research, creative problem solving, and health and fitness into our total educational experience, as well as constant growth in our successful relationships with others and communications skills. It is the goal of the district that students are able to maximize their individual potential in such a way as to lead fulfilling successful lives and to become positive factors in our community, nation, and world.

MISSION STATEMENT

To empower all students to enter the global community as productive citizens.

SECTION A – SPECIFIC POLICIES

NON-DISCRIMINATION POLICY

It is the policy of the Gayville-Volin School District 63-1 that no person be subjected to discrimination on the basis of race, sex, national origin, religion, age, physical and mental disabilities, or marital status in any program, service, or activity for which the School District is responsible as required by Title IX, PL 93-122, section 504 and other state and federal laws. If any student believes they are the victim of discrimination it shall be reported to: Title IX Coordinator Jason Selchert, Superintendent, PO Box 158 Gayville, SD 57031 or by calling (605) 267-4476 x.104. 504 Coordinator Amy Westrum, Special Education Director, PO Box 158 Gayville, SD 57031 or by calling (605) 267-4476 x. 108

SEXUAL HARASSMENT POLICY

The Gayville-Volin School will not tolerate any sexual harassment. All students must avoid any action or conduct which could be viewed as sexual harassment.

Sexual harassment includes, but is not limited to:

1. Sexual advances,
2. Requests for sexual favors, and
3. Other verbal or physical conduct of a sexually harassing nature when:
 - a. submission to the harassment is made either explicitly or implicitly
 - b. submission to or rejection of the harassment is used as the basis for decisions affecting an individual; or
 - c. the harassment has the purpose or effect of unreasonably interfering with an individual's school performance; or
 - d. the harassment creates an intimidating, hostile or offensive environment.

A student, who has a complaint of sexual harassment on school property and at school activities including students, teachers, staff, or visitors, should clearly inform the harasser that his or her behavior is offensive or unwelcome and request that the behavior stop. If the behavior continues the student must immediately bring the matter to the attention of the classroom teacher. If a teacher is involved in the harassing activity, the violation should be reported to the administration. If an administrator is involved in the harassing activity, the violation should be reported to the Board of Education.

If a teacher/staff member finds a student is involved in an incident of sexual harassment, he or she will immediately report the incident to the administration. If the alleged harassment involves any type of threat of physical harm to the victim, the alleged harasser shall be suspended. During the suspension, an investigation will be conducted by the Administration. If the investigation supports the charges of sexual harassment, the "Progressive Discipline Plan" will be initiated. If the investigation reveals that the charges were brought falsely and with the malicious intent, the charging party may be subject to disciplinary action. The incident(s) may be reported to the law enforcement authorities, if deemed appropriate and as required by law.

The investigation shall include:

- a. documentation of the specifics of all sexual harassment claims
- b. the details of the investigation; and the nature of the corrective action; if any are taken.

ATTENDANCE POLICY

First time enrollees in the Gayville-Volin School District, including students entering preschool, kindergarten, are required to submit a certified copy of their birth certificate, a completed immunization form, and social security number, as well as completing an authorization for the transfer of any records from their previous school of attendance.

This is the general policy on attendance. Administration can use discretion in dealing with instances of attendance.

A student's contribution to and achievement in class are directly related to attendance. Both students and parents must understand that students miss a vital portion of their education when they are absent from school. While it is true that written work can be completed for make-up, class instruction or presentations, discussions, some audio-visual presentations, and

student-teacher interaction can never be made up. With the foregoing in mind, together with the provisions of the state law, specifically SDCL 13-27-1, the official attendance policy of the Gayville-Volin School shall be as outlined in the paragraphs below. The following criteria will be used to define the number of days a student has missed toward his/her allowed eight absences. (See #12)

1. Participation in school sponsored activities (NO COUNT).
2. Any absence for illness or doctor appointments, which can be verified by a written doctor's statement (NO COUNT). (Note needs to be in the office the same day the student returns to school)
3. A family emergency as interpreted by the administration, such as a death in the family, critical illness in family, etc. (NO COUNT).
4. Educational field trips such as 4-H, church sponsored trips, etc. (NO COUNT).
5. Seniors seeking college or career readiness (such as a campus visit, career exploration camp, job shadow, etc.) which are pre-approved by administration at the Gayville-Volin School (NO COUNT).
6. Juniors seeking college or career readiness (such as a campus visit, career exploration camp, job shadow, etc.) which are pre-approved by administration at the Gayville-Volin School (NO COUNT).
7. Family trips – including hunting trips, fishing trips, skiing trips, etc. – will count 1 day absent for every 2 days missed. Absences for family vacations must be reported to the principal at least one week prior to the absence. This is to allow for a decision to be made regarding the absence and to allow time for the classroom teacher to prepare advanced assignments when appropriate
8. Students suspended from school will count one absence for each day suspended.
9. Illness not verified by a doctor's written statement will count as one absence for each day absent.
10. Five unexcused tardies will count as one day absent.
11. After 10 unexcused tardies, each tardy will count as 1 day absent.
12. If it is necessary for a student to be absent, the parent/guardian must telephone the office (267-4476 ext. 101) by 8:15 a.m. that day. When such a call is not made, office personnel will call the parents to make sure the parents are aware of the absence. If an absence is anticipated or known in advance, the parent must phone the office or send a signed note explaining the reason for the absence, including the date(s) and time(s) that the student will be gone. Students leaving during the school day must first obtain a pass and sign out in the office. Students arriving after the first bell must sign in at the office and report to their classroom immediately.

After a student has been absent from any class during a semester:

5 times-A form letter stating this fact will be sent to the parents. The letter will stress the importance of good attendance to good schoolwork. A conference may be held to include, if possible, the principal, the student, and at least one parent, to discuss the problems of attendance and academic progress.

8 times - After eight unexcused or excused absences from a class per semester, the student will be dropped from the class with no credit. If a student is under the age of 18 and loses credit in a class or classes they are still required by law to attend school. They have the following options:

- *Continue attending school at Gayville-Volin for no credit until the end of the semester.*
- *Transfer to another school under the waiver of tuition rule.*

Any student who loses credit in a class because of absences may request a meeting with the superintendent for the purposes of reviewing the absences.

After meeting with the superintendent, the student may request a meeting with the Board of Education for the purpose of reviewing the absences.

PUBLIC LAW 98-380 --FAMILY RIGHTS AND PRIVACY ACT

According to Public Law 98-380, the Family Rights and Privacy Act of 1974 public notice must be made by the Board of Education of intent to disclose to the press, media, and others authorized by the school personally identifiable data designated as directory information. The parent or guardian of a student or an eligible student may refuse to be personally identified in any or all of the information categories. Such refusal must be made in writing to the student's principal within 15 days after notice is given.

This information will be entitled directory information:

1. Student's name and grade level.
2. Participation in officially recognized activities or sports.
3. Weight, height, grade level participant.
4. Honors, awards, and degrees.
5. Other information which denotes accomplishments and achievements.
6. Individual and group photographs pertaining to any of the above activities.
7. Dates of attendance.
8. Most recent previous education agency or institution attended by the student.

TITLE I – COMPLAINT POLICY

In the event that a parent, or the parent advisory council, teachers, or other concerned organizations should have a complaint concerning violations of any federal program, the following procedures are to be followed to satisfy said complaint:

- Within five (5) days of the occurrence of said complaint, the persons having the complaint will notify the LEA Title I director, in writing, of all complaints. Within five (5) days of receiving the notice of complaint, the Title I director will respond, in writing, of the complaint, setting up a time and date to visit with the complainant.
- If the above meeting does not solve the problem, the complainant may within three (3) days notify the elementary principal of the problem and ask a meeting to discuss the problem. Within three (3) days of receiving the request, the principal will set up a meeting with the complainant.
If satisfaction is still not forthcoming, the complainant may, within three (3) days, request in writing, a meeting with the Superintendent of Schools, who will, in writing, notify the complainant of the time and date of such meeting.
- Should the complaint still not be satisfied, the complainant may appeal the LEA's decision to the SEA within thirty (30) days of receipt of the written decision of the LEA.

The complainant or complainants may present evidence or questions to parties concerned during any or all of the previously mentioned steps.

Middle School Parent Compact for Title I

2021-2022 Academic Year

As a result of our assessment, your child has been selected to receive additional assistance from the Title I program. In order to increase the academic gains of the student, the work done in Title I will require a team effort. This team is made up of teacher's / school personnel, parents, and students. Each has their own responsibilities.

School Responsibilities

- Provide high quality curriculum and instruction in a supportive learning environment that enables the participating children to meet the state's student academic achievement standards as follows:
 - Allowing small group interaction with qualified teachers
 - Focusing on classroom skills being learned in the regular classroom
- Provide parents with frequent reports on their children's progress.
- Provide parents reasonable access to staff. School staff members are available before and after school or by appointment.
- Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities. Activities include:
 - Special programs
 - Daily classroom visits
 - Field trips

Parent Responsibilities

- Ensure your child reads each night.
- Practicing concepts and skills taught
- Helping your child with assignments
- Attending parent meetings
- Monitoring attendance and academic progress utilizing the tools and communication provided by the district.
- Promoting positive use of your child's extracurricular time
- Staying informed about your child's education and communicating with the school by reading all notices from the school either received by your child or by mail and responding, as appropriate.

Student Responsibilities

- Do my homework every day and ask for help when I need it.
- Read at least 20 minutes every night outside of school time.
- Give to my parents or the adult in charge, all notices and information received by me from my school every day.
- Work cooperatively with classmates.
- Take pride in my school
- Come to school prepared.
- Use my time wisely both in and out of school.

GAYVILLE-VOLIN SCHOOL DISTRICT TITLE I PARENT INVOLVEMENT POLICY

In an effort to keep parents involved in their children's education the Gayville-Volin School District's Title I Committee has developed the following Parental Involvement Policy.

Policy Involvement

All parents will be informed about the school's participation in Title I and their rights to be involved. Information will also be disseminated at the annual Back to School Night and Conferences. Plus, monthly newsletters will share ideas and strategies for parents to effectively assist their children at home.

The Gayville-Volin Title I Committee will accomplish the following:

- Meet on an annual basis.
- Collect feedback from participant parents regarding planning.
- Continually review and improve the Title I program.

Parents of participating children will be sent information about the Title I program at the beginning of each year or when a child is receiving assistance on a regular basis during the school year. Updates on the program will also be provided as needed. School performance and individual assessment results will be discussed with parents as the assessments are administered. A description and explanation of the curriculum used and the proficiency levels students are expected to meet will be given to parents annually. Opportunities to formulate suggestions and participate in decisions relating to the education of their children will be provided at the Back to School Night, Parent-Teacher Conferences, and/or in quarterly reports.

Shared Responsibilities for High Student Performance

A school-parent-student compact that describes the responsibilities of each person involved in the program will be distributed to each participant, his/her parent, and school staff. Each person must make a commitment to provide high quality curriculum and instruction, support, and/or an effective learning environment that will enable students served to meet the State student performance standards. Ongoing communication between teachers and parents will be accomplished utilizing the tools and communication provided by the district Student progress reports will be distributed to parents at the end of each semester.

Building Capacity for Involvement

The Gayville-Volin School District's Title I Committee will actively work to provide opportunities for parents and school staff to become informed about such topics as the state content standards, the requirements of Title I, how to monitor a child's progress, and how parents can participate in educational decisions. The program will provide materials to parents regarding such topics as literacy and working with children at home. School staff will also be involved in activities to promote communication between school and parents, understanding the value of parent contributions and building ties between home and school.

Any opportunities to work with other groups in activities that coordinate and integrate parent involvement will be pursued. All efforts to meet the needs of parents and the community on being cooperative members in the children's education will be encouraged and pursued. Funds, as needed, from Title I will be made available for such activities.

Accessibility

Opportunities for parents with limited English proficiency or with disabilities to participate in Title I activities will be provided to the fullest extent possible.

Section B: Student Conduct

Progressive Discipline Plan 6-12

Parents, students and school personnel must work together to ensure the maintenance of a proper environment for learning. The District's objective is to provide all students an equal opportunity to grow intellectually, ethically, socially, emotionally and physically. Generally, school personnel will pursue appropriate, reasonable measures to influence student behavior.

Classroom teachers are responsible for classroom discipline. Students are to observe individual classroom teacher's expectations. Any student sent to the office for a discipline infraction shall be subject to the progressive discipline plan. The plan is in place to curb inappropriate behavior, but more importantly to give every student with the same infraction consistent consequences.

Detention

Classroom teachers will give detentions for breaking classroom rules. The time served for detention will be determined at the discretion of the classroom teacher and/or administrative personnel. The detention will be served with the classroom teacher, a detention monitor, or on work detail with a school employee.

Steps and Demerits

The discipline plan is based upon steps or demerits. There are six steps to the discipline plan. Each student will exhaust one step for each infraction or violation of policy. Once the student exhausts five steps of the plan, the student has accumulated 15 demerits. Exhausting six steps or accumulating 15 demerits refers the student to the Board of Education for an expulsion hearing. The consequences for being on each step increase as the steps increase.

ACTIVITY (PARTICIPATION) RULES: Any student who violates Class Five above, and who is involved in co- and extracurricular activities, shall be removed from the activity(ies) as specified in the activity rules which student and parent or guardian sign for each activity.

BULLYING: Repeated physical, verbal, non-verbal, written, electronic or any conduct directed toward a student so pervasive, severe and objectively offensive that it: 1) has the purpose of creating or resulting in an intimidating, hostile or offensive academic environment, or 2) has the purpose or effect of substantially or unreasonably interfering with a student's academic performance which deprives the student access to educational opportunities.

BUS BEHAVIOR: While on district-provided buses, students shall adhere to the same behavior expectations, standards, and consequences as at school.

CELL PHONE: M/S/Hs – Unless otherwise authorized by school officials, students may possess a cell phone on school property, only if the cell phone is powered off and in their locker between the first bell and the last bell of the school day.

ELEM – Students may possess a cell phone on school property during school hours only if the cell phone is powered off and out of view. On buses, cell phones must be powered off and out of view unless authorized for use by school official. First violation, the student will be given a warning, phone will be confiscated and returned only to parent/guardian. If the parent/guardian does not pick up the phone within five school days, the phone will be returned to the student. Subsequent violations will be treated as Class Two discipline plan offenses and consequences, phone confiscated, returned only to parent/guardian or to student after five school days if not picked up by parent/guardian.

CLOSED LUNCH AND BUILDING: Leaving school without the permission of the administration.

COMPUTER VIOLATION: Consequences for computer violations will be applied according to the nature of the offense on the Discipline Plan. (i.e., copying administrative files=threat; destroying files=destruction of property; not following computer rules=insubordination.) Violations may result in restriction and/or loss of computer privileges.

CONFLICT RESOLUTION: Programs designed to teach students to deal with conflict in a constructive manner.

DESTRUCTION OR STEALING OF PROPERTY: Willfully causing or attempting to cause damage to private or school property, stealing or attempting to steal private or school property, or repeated damage or theft involving private or school property. Includes alteration of student/school computer program/s/systems.

DISRESPECTFUL/OBSCENE LANGUAGE: Use of obscene or disrespectful language, communication or action.

ELECTRONIC DEVICES: Students may not possess electronic devices during the school day. Laser lights are not allowed at school. Electronic devices will be confiscated and returned only to the students' parents/guardians.

ENGAGING IN ILLEGAL ACTIVITIES: Breaking any law, the consequences of which pose a threat to the student or others and are not in the best interests of the school.

EXHIBITION/RECKLESS DRIVING: City and state traffic laws apply to the parking lots and streets immediately surrounding the school. Because violations of these laws pose a threat to the safety of students and staff, violators will be reported to the authorities.

EXPULSION: Denial of a student's membership in school for a period of time.

HARASSMENT: Harassment is a form of discrimination that consists of physical or verbal conduct related to a person's race, religion, national origin, age, gender, disability or other basis prohibited by law. The School District specifically prohibits any form of harassment that is sexual in nature. Harassment may include, but is not limited to, verbal harassment or abuse, implied or overt threat(s), physical acts of aggression, and intimidating behavior, which have the effect of substantially or unreasonably interfering with an individual's employment, education, use of District services or participation in District activities.

HAZING: Committing an act against a student or coercing a student to commit an act that creates risk of harm to a person, in order to be initiated into a student organization or class, or for any other purpose.

ID BADGE: Failure to wear or properly display ID badge at school.

IN SCHOOL SUSPENSION (ISS): Temporary denial to a student by a principal of participation in a class. Suspension will be served in school. Credit for completed class work.

INSUBORDINATION/HABITUAL/DISOBEDIENCE: Student conduct deemed as unwillingness to submit to authority, refusal to respond to a reasonable request or situations in which the student is shown to be habitually disobedient.

INTIMIDATION/THREAT TO OTHERS: Use of coercion, force, threat, violence, intimidation or similar conduct that constitutes a threat to a person's safety or interferes with school purposes.

LONG-TERM SUSPENSION: Temporary denial to a student by the superintendent or school board of participation in school for more than ten days and not more than ninety days.

MOOD ALTERING CHEMICALS, SUBSTANCES, and TOBACCO: Using, possessing, selling, dispensing, or being under the influence of any mood altering chemicals, substances, or tobacco or possessing drug paraphernalia at school, on school property, or at a school sponsored activity or when the conduct poses a threat to the student or others and is not in the best interests of the school. Tobacco related items such as lighters and matches are not allowed. Police will be notified as specified by Policy J1CH and all drug paraphernalia will be turned over to police.

NEGLECTING OBLIGATIONS: Neglecting to complete disciplinary obligations such as detention, suspension after school, or community service.

OUT OF SCHOOL SUSPENSION (OSS): Temporary denial to a student by the principal, superintendent or school board of participation in a class or classes.

Suspension will be served out of school.

PARENT: Parent or legal guardian.

PARKING LOTS: Students are to park in parking lots/spaces as assigned by the administration. A fee may be required as determined by the school board.

PHYSICAL INJURY: Causing or attempting to cause physical injury to a school employee or to any student. Cases in which physical injury caused by accident or other action undertaken on the reasonable belief that it was necessary to protect another person or self shall not constitute a violation of this rule.

REASSIGNMENT: The Superintendent or designee may reassign students to a school other than their home attendance center because of student misbehavior. When a student is reassigned for misbehavior, transportation will be provided by the parent at no expense to the District.

SECRET CLUBS OR SOCIETIES, ACTIVITIES NOT IN THE BEST INTEREST OF THE SCHOOL: Student participation in non-school activities in which the student's conduct presents a threat to himself/herself or others and is not in the best interest of the school.

SEXUAL MISCONDUCT: Any touching of a sexual nature, either consensual or not, any attempt to engage or engage in sexual activity on school property, within the school environment, in a school owned, leased or contracted vehicle or at any school sponsored activity or event.

SKIPPING: Unapproved absence from class within the school day. No credit for course work for classes skipped.

STUDENT ASSISTANCE TEAM (SAT): A team of staff members who work together to help students become and remain successful in school.

STUDENT DRESS: Students are expected to dress with standards that enhance a safe learning environment. Profanity and suggestive themes, such as alcohol, drugs, sex, death, suicide or violence, will not be permitted on school attire.

SUSPENSION AFTER SCHOOL (SAS): An option for principals to use in place of ISS that requires students to serve suspension time after school.

UNAUTHORIZED VISIT TO OTHER SCHOOL: Any offense committed by a student on another campus shall be punished in the same manner as if the offense had been committed at the student's assigned school. An unauthorized visit is also an offense.

WEAPONS: Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon. Mace and pepper sprays are included as items considered being weapons. Intentional possession of a firearm will result in a mandatory 12-month expulsion.

DRESS CODE

School clothing should be neat and clean. Parents should be instrumental in assisting students to make wise selections of clothing for school wear. Any type of dress or grooming which is disruptive will not be permitted. Dress that is determined to be a distraction to the learning environment is not permitted. The standards, which will determine inappropriate dress in school, include the following, but are not limited to:

- No clothing that inappropriately expose the body and/or undergarments
- Pants must not hang below the waist and must be of appropriate size
- No chains hanging from apparel
- No hats or caps
- No clothing with inappropriate language and/or depictions
- No clothing with alcohol or tobacco products

Violators of the dress code may be asked to correct the infraction or continued abuse will be referred to the Progressive Discipline Plan.

HOME EVENT CONDUCT

Disruptive behavior by students at an extracurricular event may result in the student being sent home. Also, students who attend activities will adhere to school policies. There will be no leaving the building. Students will have to pay to get in again if they leave.

INTERNET USE POLICY

Every student and their parents/guardians will be required to sign an acceptable use contract before they can access the Internet. The acceptable use policy, which is located in the appendix, must be signed and returned to the Gayville-Volin School District.

LONG DISTANCE LEARNING

All policies of the sending school are enforced.

LUNCH ROOM

Students are expected to walk, not run to the lunchroom. Students will have the opportunity to purchase or bring a lunch. Open lunch is only available for juniors and seniors who qualify for open campus. Students will be issued a code, which must be entered into a computer terminal to obtain a meal. Reminders are sent to students when they are in need of meal money.

MONEY AND VALUABLES

Students are discouraged from bringing large sums of cash and/or valuables to school. The practice of leaving such items on or in desks, in lockers, etc., is a risk. Please do not bring such items to school.

STUDENT DUE PROCESS

The Gayville-Volin School District has adopted a policy for Student Due Process. The policy is on file in the principal's office.

Should a problem arise between your child and the child's teacher, and you feel dissatisfied with the result, the proper way to handle the situation is the following:

1. Begin with the teacher. Talk it out.
2. Schedule a conference with the principal and then superintendent.
3. Request a hearing with the school board. All parties will participate.

STUDENT RELATIONSHIPS

Students who exhibit excessive affection in hallways and classrooms can be expected to be referred to the Office and, if necessary, in-school suspension or expulsion from school will be given to uncooperative students.

First Violation: Students will be warned.

Second Violation: Students will be referred to the Progressive Discipline Plan.

SUSPENSION

A student will be suspended from school when his/her actions become a liability to other students or staff. A student who is suspended will be required to complete all assigned work at home during the period of suspension. Students who do not complete assigned work may have their grade adversely affected.

Students serving suspension time will not participate in any school sponsored activities during the suspension time.

Section C: Classroom Achievement

CLASSIFICATION OF STUDENTS

The students of GVS are classified according to the unit of class work completed satisfactorily.

Freshman:	Less than 5.5 credits
Sophomores:	More than 5.5 but less than 10.5 credits
Juniors:	More than 10.5 but less than 15.5 credits
Seniors:	15.5 credits or more

CURRICULUM

The Gayville-Volin High School curriculum is set and adopted by the Gayville-Volin School Board. The content standards are established by the South Dakota Department of Education.

DEFICIENCY GRADE REPORTS

Notices are distributed starting week two of the academic year when students are performing below average. This is a weekly notice to keep all parties aware of potential issues. It is the responsibility of the school, parents, and students to effectively communicate issues as it relates to classroom achievement. Reports are sent from an unmonitored email address and the report is sent to parents/guardians using the supplied information.

DUAL CREDIT

The District recommends students taking dual credit (college) classes. Every effort will be made to accommodate the student's schedule. Student interested in this option should discuss optional policies and procedures with the principal and guidance counselor. The Gayville-Volin School District has no control over costs associated with these classes and all fees will be the responsibility of the student. The Gayville-Volin School District accepts a practice of not teaching the same course that is offered for dual credit.

GRADING SCALE

Secondary School 6-12

The grading system for middle school and high school represents student **progress** and **performance** on coursework as set forth by content area standards. The following is the interpretation of the grading system:

- **A** = Indicates that the pupil has done excellent work and has mastered the content area standards for the course
- **B** = Indicates that the pupil has done above average work, mastered almost all of the content area standards for the course
- **C** = Indicates that the pupil has done average work and has mastered many of the content area standards for the course
- **D** = Indicates that the pupil has done below average work and has mastered few of the content area standards for the course
- **I** = Indicates incomplete work and/or insufficient progress.

Letter grades and standards – based reports will appear on report cards and transcripts.

The 6-12 grading scale is as follows:

Grading Scale

A = 94-100%

B = 87-93%

C = 80-86%

D = 70-79%

I = 69% and below

Formal reports cards are issued at semester breaks (two times per year). These are supplemented by electronic reports available throughout the grading period on Schoology and DDN / Infinite Campus. In evaluating the performance of students in a given subject area, teachers provide different categories of assessment. Formative assessments will be given on an *ongoing* basis throughout the grading period. These include worksheets, quizzes, or any other assignment given with the purpose of determining “in progress” understanding of concepts being addressed. A standards-based summative assessment (or multiple summative assessments) are given to determine to what extent students have mastered the content area standards of the course. These standards-based exams can be given at any time throughout the semester. Students not earning a “D” mark on these assessments must continue to work and progress until they have achieved at least the minimum percentage of 70% on each summative assessment.

Teachers will provide information to students which will enable each student to:

1. Know what will be expected before instruction actually begins,
2. Be informed of the specific criteria, upon which performance will be evaluated,
3. Be informed about learning progress for each learning unit or activity during as well as upon completion of the course of instruction, and...
4. Be evaluated based on the attainment of content area standards of the course.

The final semester grade is to be averaged according to the following criteria:

1. Formative assessments for the semester will be weighted at 50% of the grade.
2. Summative assessments for the semester will be weighted at 50% of the grade.

* Students who do not pass the standards-based summative assessments or do not take the assessments will receive an incomplete grade for the semester. The grade will remain incomplete until a final grade percentage of 70% is achieved. Enrollment in future classes may be denied until a passing grade is achieved in current coursework. Students who do not complete a course by the published cut-off dates for each semester are required to repeat the class.

GRADUATION REQUIREMENTS

South Dakota Codified Law has set 22 as the number of credits required for graduation. South Dakota Codified Law has specified that 12 hours must be made up of the following:

- Four units of English
- Three units of Social Studies
- Three units of Laboratory Science
- Three units of Math
- One-half unit of Computer Science
- One unit of Fine Art
- One-half unit of Physical Education/Health

The Gayville-Volin School District requires 22 credits for graduation.

Students that plan on attending school beyond high school should begin working with the guidance office to determine additional requirements for entrance into institutions of higher learning.

HONOR ROLL

A four-point grading scale will be used in computing the Honor Roll for each semester. A five-point grading scale will be used to determine grade point average in the following classes: Physics, Chemistry, Anatomy & Physiology, Pre-Calculus, Calculus, and College level classes.

4.00 "A"

3.00 "B"

2.00 "C"

1.00 "D"

High Honors 3.60-4.00

Honor Roll 3.00-3.59

An incomplete grade, "D" or an "I" automatically excludes a student from honor roll consideration.

HONOR STUDENTS - GRADUATION

Students with a grade point average of 3.60 or above will be recognized as Honor Students at graduation.

MAKE-UP ASSIGNMENTS

While there are no grade deductions for students who are absent, students may be placed on the warning and out list for not keeping pace.

REPORT CARDS

Report cards will be distributed to students and their parents at the conclusion of each semester. Parents may obtain an additional copy by contacting the school. All school fees must be paid in full before students' report cards will be distributed.

Section D: School Day Schedule

SCHOOL HOURS

School begins at 8:00am and ends at 3:30 pm. **Students should not arrive to school prior to 7:45am.** Students who ride the bus from Volin should meet at the Volin town park by about 7:35am. Students should not be at the park earlier than 7:30am. Please make arrangements for your children so they will not arrive before the designated times. There is no teacher on duty before these designated times.

All students who walk home in town should use sidewalks when possible. You will be notified of any early dismissal or changes in school hours.

PLEDGE OF ALLEGIANCE

As per South Dakota codified law, all school districts in South Dakota will recite the pledge at the beginning of the school day.

SEMESTER SCHEDULE

Gayville-Volin High School operates on a semester basis. A failing grade means that the entire semester must be repeated and a passing grade attained before credit will be given. Classes not required for graduation do not have to be repeated.

A student must complete all work assigned during any grading period in order to receive credit for a class. Students who receive an incomplete for a grade must complete missing work within the time frame agreed upon by the instructor. A course completion contract will be issued and must be signed by the student, teacher, and parent. Incompletes will become an "F" if the student chooses not to follow the conditions of the contract or does not complete the work by the cut-off date.

Students may change classes during the first 5 days of class at the beginning of each semester. No class changes will be allowed after 5 days without consent of the principal.

SEMESTER TESTS

Subject to the exception below, all students will be required to take semester tests in grades 6-12. The tests will be completed according to the semester test schedule and will be completed toward the end of the 1st and 2nd semesters. Semester tests will account for no more than 15% of the student's semester grade.

Students in grades 6-12 will be exempt from school attendance for the last 2 or 2 days of instruction:

1. Two (2) or fewer absences per class and two (2) or fewer total tardies during the semester.
2. Students must also have a semester grade of "B" or higher (when grades are checked) in their classes to qualify for the exemption for those classes.
3. Students who have received in-school suspension or out-of-school suspension will forfeit exemption from semester exams for the entire school year.

OPEN CAMPUS

Open campus is available for junior and senior students who fit the academic and discipline requirements as set forth by the administration.

Section E: Parental/Student Communication

CONFERENCES

Parents of students at Gayville-Volin School are invited to participate in conferences regarding your child's progress at any time. Conferences are no longer scheduled on a specific date, however, you are welcomed and encouraged to make arrangements with your child's teacher for a conference at any time during the school year.

DDN CAMPUS and Schoology

The Gayville-Volin School District utilizes an online reporting system that is accessible to the students and parents via the internet. Discipline, grades, deficiencies, homework room assignments, and other reports are viewable using this system. Parents may request login information from the office.

INCLEMENT WEATHER

If the weather conditions are so severe that it is unsafe to conduct school or operate, an announcement will be made on the radio and TV as soon as possible. Families who have provided the office with a telephone number will also receive an automated phone call with additional information. Please do not call the school or administration at home. In the event that the weather changes during the course of the day, it may necessary to send the buses home early. This too, will be broadcast over the radio, TV, and automated phone service. In the event that severe weather storms occur during the school day, and it is unsafe to send the buses out, students will be directed to a safety shelter, such as the community center or church. The decision not to send the buses out will be broadcast over radio, TV, and automated phone service.

If an evening event is to be called off, every attempt will be made to get this information broadcast before 6:00 p.m.

The following is a list of radio and TV stations that will be called concerning school closings.

WNAX RADIO

KYNT RADIO

KVHT RADIO

KELO TV

KSFY TV

It is suggested that students and parents listen to both the radio and television for announcements. The information is also posted on the district website and the notification system is utilized.

VISITING THE SCHOOL

Parents and other adults are welcome to visit our school at any time. Student guests may be permitted with administrative permission. All visitors to the Gayville-Volin School are required to please report to the office when they arrive at the school. We want you to be acquainted with our school, and we encourage you to make arrangements to visit your child's classroom. We look forward to getting to know you and you becoming familiar with our staff, facility, and educational plan.

Section F: Student Services

ADMINISTERING MEDICINES TO STUDENTS:

If your child must take any kind of medication during the school day, you are required to notify the school in writing. Pain relievers will not be distributed to students without written parental permission.

Students will not be permitted to take medication while at school without the specific written request of the parents or guardians, or with the written instructions of the student's physician.

When such a request is made by a parent or guardian, a full release from the responsibilities pertaining to the administration and consequences of such medications must also be presented to the principal by the student's parent or guardian.

The above policy covers all prescription and other drugs.

GUIDANCE AND COUNSELING

Counseling services are offered to all students enrolled in Gayville-Volin School District. Counseling services include, but are not limited to:

- *Individual Counseling
- *Small Group Counseling/Guidance
- Large Group Classroom Guidance (Prevention and Development)
- Academic Advising
- Post-Secondary Advising & Planning
- Consultation
- Referral

* *Note: Typically, parents will be asked to sign a consent form for their child to participate in ongoing individual or small group counseling.*

Students may schedule appointments with the school counselor to discuss course planning, graduation requirements, college entrance, career-vocational programs, scholarships, study habits, personal concerns, and concerns or conflicts with fellow students or staff.

The school counselor coordinates on-site college/military recruiter visits as well as off-site college/military visits. Juniors and seniors are allowed to schedule visits with on-site recruiters. Juniors and seniors seeking college or career readiness (such as a campus visit, career exploration camp, job shadow, etc.) which are pre-approved by administration at the Gayville-Volin School (NO COUNT). Arrangements for these visits must be made through the guidance office. Refer to the attendance policy for absences.

Confidentiality

Parents of minor children have the right to be included in the counseling process. However, school counselors must balance the parents' rights to be informed with the student-client's right to privacy. The school counselor must use his/her professional judgment on these matters, but will do his/her best to keep the parent involved and informed as deemed necessary.

As per South Dakota statutes, student-client information is confidential and will not be released without parent/guardian (or students age 18 or older) authorization. The limitations or exceptions to student-client confidentiality are as follows:

- If the student-client states that he/she wants or intends to do harm to himself/herself;
- If the student-client states that he/she wants or intends to do harm to others;
- If the student-client states that an adult has harmed him/her.

- If the student-client reports suspected abuse or neglect of a child, elderly person, resident of an institution, or a disabled person; and/or
- If employees of the school district are court-ordered to release information.
- If the student-client's counseling services are included as part of an Individualized Education Plan, then members of the student's multi-disciplinary special education team may be informed of progress toward counseling goals documented in the IEP.

HEALTH SERVICES

Special health services are provided to the Gayville-Volin School by the Yankton Community Health nurses. Eye screenings, hearing screenings, general health checks, and scoliosis screenings are done periodically in our school.

We also need your help in providing a safe and healthy environment for our children. If your child has a communicable disease, please inform the office immediately. Your child needs to stay home if an illness is indicated.

The law requires that anyone with a communicable disease must not attend school until he/she is treated for the disease. Examples of communicable diseases may include, but are not limited to the following: Pink eye, chicken pox, fever-related illness, and influenza.

Head lice also fall under the category of a communicable disease. Initial checking for head lice may be conducted at the beginning of the school year as well as periodic checks throughout the year. If your child is found to have head lice, you will be contacted and informed how to treat it. Your child may not attend school until he/she is treated.

If there is special information concerning the health of your child, please inform the classroom teacher and the office. An explanation in writing is also required so that a notation can be attached to your child's record.

LIBRARY

The library is open to student use. Students who do not act appropriately in the library may lose their library privileges and face other disciplinary actions. Students will abide by the guidelines set forth by the teacher.

Checkout rules:

1. Current magazines may not leave the library study hall area.
2. The student using those materials must personally check out all materials. Students are responsible for returning the materials.
3. Reference books may not leave the library.
4. Students with overdue material may not check out additional material.
5. There will be a fine for damaged material. Lost materials will be paid for by the student.

Overdue library books:

All overdue library materials must be returned.

LOST AND FOUND

The office is the collection point for all lost and found items. Every attempt is made to find the owners of lost and found items as quickly as possible. If your child should lose something, please check with the office. We have found that many items turned in to the office are never claimed. Labeling your child's possessions helps eliminate this problem.

SPECIAL EDUCATION

Special education services are offered as a part of our school program. Students needing these services may be referred to the program by parent referral, teacher referral with parental permission, or by student referral with parental permission. If you desire more information regarding the special education program, please contact the Special Education Director.

STUDENT INSURANCE

Accident: An accident insurance for students is available to interested parents at the beginning of each school year. This insurance is offered through a private insurance company and has no connection with the school.

Dental: Student dental insurance is also offered to students through a private company. Claims for benefits are sent directly to the company.

All student accidents/injuries are reported to the duty teacher and to the principal's office. A record is kept of any injury requiring treatment, and parents are notified if the injury is of a serious nature.

Information regarding student insurance is sent home at the beginning of the school year. It is the parents' responsibility to return the forms to the office.

TITLE 1 (See Also Policy)

Title I is a federal program to help all students receive a proper education and meet academic standards. The Gayville-Volin School District for grades K-8 is considered a school wide Title I program. School wide means that the school has forty percent or more of children from low-income families. Plus, the school is allowed to use Title I money to pay for educational programs for grades K-8. One of the areas of concentration for Title I programs is to develop higher level thinking skills. Each year the Title I instructors help students by providing remediation to improve each child's skill level.

The students are selected for school wide Title I through a needs assessment evaluation, teacher referrals, school grades, Dakota STEP scores, and/or class performance. Parent referral is another method of placement used by the Gayville-Volin Title I staff. Any student who qualifies educationally is eligible to receive Title I services.

The Title I School wide program is a combination of pull-out and/or inclusion. An inclusion program means that the identified Title I students remain in the classroom and the Title I teacher goes into the classroom to provide extra help. The Title I teacher will work more one-on-one with the student as the pull-out part of the process if necessary. The pull-out method is determined by the skill level of the student. However, care must be taken to provide supplemental support and not supplanted support. Title I instructors communicate continually to gain information on student progress and special needs. Cooperation between classroom teachers and Title I instructors is designed to give students opportunities to succeed.

Title I requires that information be disseminated about the program each year. This occurs at Gayville-Volin's Back to School Night in the fall. Each year parents are also surveyed about the effectiveness of the program. This allows the school district's Title I committee to gain feedback to improve areas if needed. Also, progress reports are sent to parents four times a year. Parents are also encouraged to discuss academic progress with Title I staff during Parent-Teacher Conferences. The parents of Title I students must be informed that their child is receiving pull-out services on a regular basis through the Title I program. Parents are given every opportunity to be involved in the decision making and planning of their child's participation in the program. If parents request that their child not participate, this is documented in the folder, and the student is not pulled-out for Title I school wide services.

Section G: Facilities Management/Transportation

BOOKS AND EQUIPMENT

Each student is responsible for books and equipment issued to them. If an item is misplaced, damaged, or stolen, the student will be required to pay for the items. Teachers take an inventory at the beginning of the year and determine the condition of books. Students should note any damage to books when issued. Teachers will fine students for damage. The damage report forms can be obtained by contacting the school administration.

LAPTOPS

All students' grades 6-12 are issued a laptop at the beginning of the school year. The Gayville-Volin School District offers students the option to participate in a protection plan (insurance). Students may choose whether or not to participate. Costs for repairs determined by the Technology Coordinator found to be normal wear and tear will be covered with or without insurance. However, if damage is the result of neglect as determined by the Technology Coordinator, the student is responsible for cost of repair. Students with the protection plan will have coverage per the benefit schedule. Students who have chosen not to participate in the protection plan will be responsible for the full cost of repairs.

SPECIAL DRILLS

Fire drills are held as required by law. These drills are important and are taken seriously. Your child's teacher will review the procedure for exiting the building. Each classroom has a specific evacuation route, which is posted in the classroom. An alternate route is also posted.

Tornado/emergency drills are also conducted on a routine basis. The purpose of the tornado/emergency drill is to provide the safe evacuation and care of students, faculty and others in case of an actual tornado or emergency during school hours.

STUDENT LOCKERS

Lockers are provided for student use. Students are responsible for keeping their lockers in a neat fashion. Any damage done during the year will be the responsibility of the person to whom the locker has been checked out. Students who use padlocks must leave the combination or a spare key in the administration office. Students are not allowed to occupy empty lockers, or to switch lockers without permission from administration. Lockers remain the property of the school district and may be randomly searched. Do not leave money or valuables in lockers.

BUS TRANSPORTATION

Students and parents are reminded that riding a school bus is a privilege and not a right. Inappropriate behavior on the bus may result in a student losing this privilege. A second referral to the administration will result in one week of suspended bus privileges. A third referral to the administration will result in two weeks of suspended bus privileges. A fourth referral to the administration will result in termination of bus privileges for the remainder of the school year. The driver will report student misbehavior to the administration for referral to the Progressive Discipline Plan.

The following rules are to be obeyed:

1. Be on time.
2. Share your seat with other students.
3. Remain seated while the bus is in motion.
4. Obey the bus driver's rules.
5. Keep your head, hands, and arms inside the windows.
6. Hold the tone of conversation as low as possible.
7. Continuous misbehavior will result in losing bus privileges.
8. Any student who rides the bus to a school-sponsored event must return unless the student's parents meet with the bus driver or instructor in charge. Students are to be released to parents or legal guardians. Written excuses will not be accepted.

Section H: Curricular Activities

ACTIVITY BUS

Students that ride the activity bus follow the same rules listed in the Progressive Discipline Plan. Administration will decide whether an activity bus is appropriate. All students who ride to an activity on the bus will be expected to return on the bus.

ACTIVITY - FIELD TRIPS

All students going on school trips will be transported by school transportation. The district expects parents to notify advisors and/or school officials of a change in transportation plans. Students will be released to their parents with written authorization. Notes given to students are not acceptable.

ASSEMBLIES

Assemblies are the extension of the curriculum and classroom. All students have the responsibility to attend all announced assemblies. When in attendance, the students will display appropriate audience behavior.

STUDENT COUNCIL

The function of the student council is to discuss and bring to the attention of the administration any needed changes in the school system that may improve the school. The student council sponsors various activities such as Homecoming, which provide a well-rounded education for all students.

Each class has two representatives on the student council. Student council members select all officers at the first meeting of the school year. Student council representatives will also serve as class officers for their respective grades.

ELIGIBILITY – See Co-Curricular Handbook for additional information.

Please note that unless an event is required for classroom academic purposes, the eligibility rules will apply. This will include, but is not limited to, **homecoming and prom**.

HOMECOMING

The homecoming week is a special and unique week. The exact date will vary, but it will usually fall on the fourth to eighth week of school. The activities are organized by the student council and are subject to change each year.

Coronation

The senior class chooses the attendants from the junior class. Last year's royalty crowns the new King and Queen. As a part of the coronation activities, all seniors will participate in the Senior Spotlight. The spotlight introduces the community to all Gayville-Volin seniors.

Royalty Candidates

- 3 Senior Boys and 3 senior girls will be nominated as Royalty Candidates
- No student may be up for Homecoming Royalty more than once.
- To qualify as a senior, student must have a minimum number of credits as determined by the student handbook.
- Teachers and high school students will vote on royalty candidates; high school students only will vote on King and Queen.

Royalty Candidate Requirements

- Candidates must have a minimum cumulative GPA of 2.0
- Candidates must have participated in three seasons/years of an extracurricular activity
- **Candidates must not have been suspended from school (OSS) as a high school student**

PROM AND DANCES

A spring prom will be sponsored by the Junior Class and will be formal. The Junior Class and their staff advisor will schedule arrangements for this event. Classes or organized student groups will arrange all other dances with a sponsor through the administration. The following general rules will apply to dances:

1. Prom is open to all 9-12 Gayville-Volin students. Prom guests cannot be more than 1 year removed from high school or over the age of 20.
2. Prom guests must obtain Prom Guest Registration approval (no later than 1 week prior to Prom) and must follow all regulations that govern our student body.
3. Students that bring a guest are responsible for that person and their conduct.
4. Once you leave the building you can't return.
5. Students may not bring in outside beverages.
6. Students and/or guests must be enrolled in a public/private school and/or receive permission for attendance from the Superintendent.

Each dance must have two staff members as supervisors. The spouse of the staff member may be used as the second adult when it is impossible to find two staff members.

Gayville-Volin Acceptable Use Policy (AUP)

Introduction

The Internet links thousands of computer networks around the world, giving Gayville-Volin School District students access to a wide variety of computer and information resources. In general, traffic passes freely in a trusting atmosphere with a minimum of constraints.

Gayville-Volin School District does not have control of the information on the Internet. Some sites accessible via the Internet may contain information that is inappropriate for educational use in a K-12 setting. Gayville-Volin School District and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment.

Gayville-Volin School District specifically denies any responsibility for the accuracy or quality of information obtained through its Internet accounts.

Student Guidelines

Any action by a student that is determined by their classroom teacher or a system administrator to constitute an inappropriate use of the Internet at Gayville-Volin School District or to improperly inhibit others from using and enjoying the Internet is a violation of the AUP.

Violating the Acceptable Use Policy may result in:

- Restricted network access
- Loss of network privileges
- Disciplinary or legal action including, but not limited to, criminal prosecution under appropriate state and federal laws.

In order to ensure smooth system operations, the System Administrators has the authority to monitor all accounts. Every effort will be made to maintain privacy and security in this process.

Student Access Contract

I understand that when I am using the INTERNET or any other telecommunication environment, I must adhere to all rules of courtesy, etiquette and laws regarding access and copying of information as prescribed by either federal, state or local law, Technology International and the Gayville-Volin School District.

My signature below, and that of my parent(s) or guardian(s), means that I agree to the follow the guidelines of the Acceptable Use Policy for Internet Access at the Gayville-Volin School District.
